STATEMENT OF PROBABLE CAUSE

(for issuance of an arrest warrant or summons)

I state that on 7-15-01 while exercising my duties as a law enforcement officer in the Federal District of Utah in Zion National Park

I observed 4 men sitting around a campfire at Watchman Campground site # C-33. One of the men lit a small pipe, smoked it, and offered it to another man sitting next to him. As I walked up to the campsite, the man with the pipe attempted to conceal it. I smelled marijuana and I asked the man hiding the pipe to give me the drugs. He handed me a small wooden pipe and also told me there was a joint on the picnic table. The pipe smelled like marijuana and had marijuana inside. The joint was partially smoked and smelled like marijuana. I asked the man if he had any other drugs and he told me they only had marijuana. PETER REILLY was identified as the man with the pipe and I cited REILLY for said offense.

The foregoing statement is based upon:
☒ my personal observation
☐ information supplied to me by my fellow officer's observation
☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this return is true and correct to the best of my knowledge.
